TOIMIVUSE PÜSIVUSE SERTIFIKAAT CERTIFICATE OF CONSTANCY OF PERFORMANCE

1504 - CPR - 022/05

In compliance with *Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011* (the Construction Products Regulation or CPR), this certificate applies to the construction product

Portland cement EN 197-1 – CEM I 42,5 N

with standard strength 42,5, ordinary early strength N

intended uses: production of concrete, precast concrete products and cement based mortar,

produced by

AS Kunda Nordic Cement

(Reg No 10156772, Jaama 2, 44106 Kunda, Estonia)

and produced in the manufacturing plant

AS Kunda Nordic Cement

(Jaama 2, 44106 Kunda, Estonia).

This certificate attests that all provisions concerning the assessment and verification of constancy of performance and the performances described in Annex ZA of the standard

EN 197-1:2011

under system 1+ are applied and that

the product Portland cement EN 197-1 – CEM I 42,5 N fulfils all the prescribed requirements set out above.

This certificate was first issued according to CPD on 26 May 2005 and was renewed on 24 September 2010. This certificate was issued according to CPR on 3 July 2013 and will remain valid as long as the test methods and/or factory production control requirements included in the harmonised standard, used to assess the performance of the declared characteristics, do not change, and the product, and the manufacturing conditions in the plant are not modified significantly.

Originally issued in Estonian.

Tallinn, 3 July 2013.a.
